In its meeting of 14 September 2015 the Doctorate Board assessed your "Request for permission to take a doctor's degree and proposal for Doctorate Committee" (form 1). The Doctorate Board has decided to admit you to the defense ceremony. This admission is valid for a period of five years from the date of this letter. The Doctorate Board has also designated a doctorate committee, which will assess your dissertation, entitled: "Training and monitoring methodologies for chronic obstructive pulmonary disease patients in daily life".

The following persons will be invited to act as members of the doctorate committee:

Chairman: prof.dr.ir. A.C.P.M. Backx  
1<sup>st</sup> supervisor: prof.dr. R.M. Aarts  
2<sup>nd</sup> supervisor: prof.dr. E.F.M. Wouters (MUMC)  
co-supervisor(s): dr.ir. A.C. den Brinker (Philips Research)  
dr. M.A. Spruit (Universiteit Hasselt)  
members: prof.dr.ir. P.F.F. Wijn  
dr.ir. P. Casale (IMEC/Holst Center)  
dr.ir. T.J. Tjalkens

I would ask you to send a copy of the draft dissertation to the doctorate committee as soon as possible, but not later than 3½ months prior to your defense ceremony. The committee will be asked to comment within 6 weeks and to use the criterion whether the dissertation would be defensible at their own university. They will be informed about this. Please attune your planning with them in consultation with your supervisor, so that approval by the doctorate committee may be obtained in good time, i.e. 2 months prior to the defense ceremony.

After the doctorate committee has approved your dissertation, this can be filled in and signed on the so-called "form 2" by your supervisor, to whom this form will be sent. This form must also be signed by the dean. I would appreciate if this form will be submitted in good time, but not later than 2 months prior to your defense ceremony, to the Office of Doctoral Presentations and Academic Ceremonies (Metaforum 3.075). The Office has also prepared an information brochure for candidates, for a web version see: [www.tue.nl/promoties](http://www.tue.nl/promoties)

Prof.dr.ir. F.P.T. Baaijens

Rector Magnificus
